Product reviews:

Item code: 393684210

This order was shipped as 2 separate parcels in 2 small boxes, because of this we then got charges a handling fee twice at customs. i sent a message on life chat and got no reply and then tried to put in a claim and the submit button was not working so now I'm out of pocket 38 USD to cover the second handling charge. However the product is good quality and a good price.
